2nd Call For Abstracts

International Conference on Transport & Health

For policy-makers, practitioners, and researchers

ICTH is designed to bridge the gap between scientific investigation and real-world application. This avant-garde experience is guaranteed to make you feel just a little uncomfortable, a little bit curious and possibly change your perspective. Join us by becoming an abstract presenter.

Mission Point Resort

Mackinac Island, Michigan - USA

24-27 June 2018

The International Conference on Transport & Health (ICTH) is a direct participatory event. Policy-makers, practitioners and academics from multiple disciplines involved in transport planning and engineering, public health, urban planning, spatial and architectural design, environmental planning, economics and beyond will convene at Mission Point Resort on Mackinac Island located in beautiful Northern Michigan, **Sunday through Wednesday, 24-27 June 2018**, to share their stories of success and failure; build world-wide collaborative friendships; but most importantly, leave inspired!

*The theme for ICTH 2018 - Mackinac Island will focus on contrasting rural and urban transport and the environmental factors that impact quality of life, health and well-being; **making rural transport sexy.***

Sunday, 24 June is dedicated to an interactive series of training seminars highlighting transport and health performance metrics from across the globe. IPATH will also hold its annual meeting on this day, followed by a bicycle scavenger hunt around the island and an ice cream social. Come early!

Join IPATH to receive a discount off the ICTH registration fee

High Scoring Abstract Award Sponsors - \$200 CASH

NDSU UPPER GREAT PLAINS
TRANSPORTATION INSTITUTE

Before submitting your abstract, please take a few minutes to read through the '**Abstract Submission Guidelines**' available on the ICTH website (Click one of the *buttons* above to access the ICTH website).

All abstracts will go through a formal peer-review process. The two highest scoring abstracts in five professional categories and the two best posters presented during ICTH will win a \$200 CASH award.

Invited Abstract Categories

Practitioner/case study AND research abstracts will be scored separately and are invited on the following health and transport topic areas:

- Autonomous/Connected Vehicle Technology
- Active Travel - Walkability/Pedestrian Safety
- Active Travel - Bicycling/Safety
- Active Travel - Safe Routes to School
- Aging in Place/Older Populations/Driver Safety
- Air Quality
 - -Air pollution and noise during commuting
 - -Exposure assessment of traffic related air pollution
 - -Traffic related air pollution and health
- Commuting & Health
- Disability/Access (including healthcare, nutritional foods, housing)
- Economics
- Educating the Public
- Environmental Justice - Social & Health Equity
- Green Space & Health
- Health/Environmental Impact Assessment
- Mental Health and the Built Environment
- New Methods for Assessing Travel Behavior, Exposure & Health
- Performance Measurement (Quantitative & Qualitative Data Assessment & Evaluation)
- Physical Activity During Commuting/Overall Physical Activity
- Planning & Policy Development
- Public Transport/Public Transit
- Road Safety & Injury Prevention
 - -Emergency medical services and availability of trauma facilities
 - -Livestock (horses, deer, cattle, etc.) versus Motor Vehicles
 - -Diverse Road User Mix in the Rural Setting (pedestrian, farm equipment, recreation, horses, motor vehicles, etc.)
- Rural & Urban Built Environments & Mode Choices

Consider
becoming an
Abstract
Award
Sponsor!!

- Rural & Urban Policy Implications & Infrastructure Challenges
- Urban & Rural Planning (including Place Making & Complete Streets)
- Other - OPEN to innovative work that does not follow the categories indicated above. Please make sure that there is a health component to your work.

Abstract submission deadline, FRIDAY 21 JANUARY

PARSONS

Recruiting Sponsors

ICTH is a private event based on experiential learning and design thinking. The goal is to provide delegates and sponsors with the greatest return on investment. The Programme Committee is aware of and fully appreciates your time, talent and the financial resources you choose to dedicate to ICTH. Without YOU, ICTH would not exist. Click [HERE](#) to see how to become a sponsor by downloading the Sponsor Prospectus.

A very special 'Thank You' to the Parsons Corporation, Parsons Transportation Group, for taking a risk on the inaugural ICTH 2015-London and for their continued support. Interesting point, Parsons built the Mackinac Bridge that connects Michigan's upper and lower peninsulas and still maintains this five mile expansion bridge to this day.
